Sir:

PETITION UNDER RULE 1.91

Applicants hereby petition under the provisions of this Rule for admittance of the attached sample of a preferred cutlery set assembly according to the invention.

The sample is necessary so that the Examiner can appreciate how the circular handle of an outermost item of cutlery in the set extends more than half way around the circular handle of a second item of cutlery nested within the first to thereby hold the items together in firm engagement as a set.

Enclosed is a check for \$130 to cover the fee required by Rule 1.17(h).

Also enclosed are six photographs showing multiple views of the same as required by Rule 1.91(c).
